

## HAMIOTA FEEDLOT

Hamiota Feedlot Ltd. is currently accepting applications for a full-time General Laborer. We are a Custom Feedlot, backgrounding and finishing up to 12,500 head of cattle. We are located 3 miles west of Hamiota, MB on Road #469. Applicants must be punctual, reliable and work well with others. Mechanical, electrical, plumbing, welding and cattle experience are assets. Applicants with mechanical experience are preferred.

Duties of this position include, but are not limited to the following:

- Water bowl maintenance
- Fence repairs and construction
- Yard maintenance
- Equipment operation – loader, skid steer, feed truck
- Regular maintenance on equipment
- Assisting in processing cattle
- Assisting in feeding cattle

We offer an excellent benefit package after the probationary period and 2 weeks vacation after 1 year. Wage will be determined based on experience. Resumes can be sent to [holly@hamiotafeedlot.com](mailto:holly@hamiotafeedlot.com).
